TMC Ventures

Being the church means being together! Not just on the “same page”, but physically doing life together! TMC Ventures is a way for us to regularly do that. Groups of all ages can connect and share common interests while also inviting newcomers to join in a new experience! The venture is focused on both the activity and the people experiencing it together!

How does it work?

Anyone can organize a venture and TMC will communicate it church wide and promote it on our social media outlets for anyone to join us. Invite coworkers, neighbors, friends, and family to take part in the fun! Simply choose an activity, place, date, and time and then decide where you will meet. Then get out there and enjoy the venture together!
